A Changed Heart Obeys God's Word

God talks to us through His Word, the **B** **B** **L** **!**

If you know Jesus as your Savior, you will want to obey what He says.

"If you love Me, you will keep My commandments."

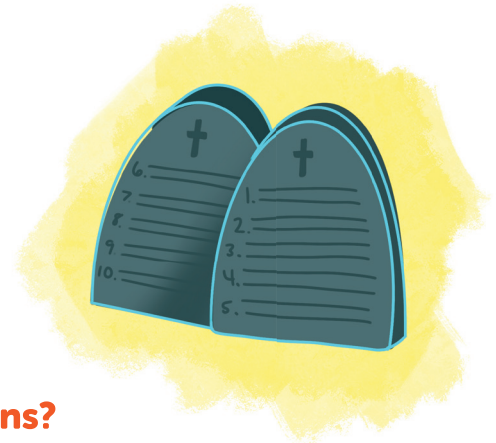

John 14:15

What is a commandment?

- A suggestion
- Something you must do

A commandment is something you must do. God gives us commandments in His Word, the Bible.

The verse above tells us that people who know Jesus as their Savior will want to keep His commandments.

Can keeping God's commandments save you from your sins?

- Yes
- No

NO. Remember, Jesus already made the one and only way for us to be saved from the punishment for our sins by dying on the cross and giving His blood, being buried, and coming alive again on the third day. The only way that we can be saved from our sin is by believing on Jesus as our Savior.

Why do we obey God's commands? (Hint: Look at the verse at the top of page 1.)

BECAUSE WE GOD!

It's because we LOVE Him! If you love someone, you want to make them happy. It's the same when we love God. We want to obey His commands in His Word because we want to make Him happy.

What is one command from God's Word that you can obey today?
