# A Changed Heart Loves Others

When you know Jesus as your Savior, God helps you to love others.

"By this all people will know that you are My disciples,  
if you have **love** for one **another**."

John 13:35

A disciple is someone who loves and follows Jesus.  
If you know Jesus as your Savior, you are His disciple!

### What is a disciple?

- A worker in a factory
- A teacher
- Someone who loves and follows Jesus

### How will people be able to tell that you are Jesus' disciple?

(Look at the verse above.)

**BY YOUR L V FOR ONE A N T R.**

Jesus tells us what this love looks like!

Jesus said, "This is My commandment, that you love one another as I have loved you."

John 15:12

When Jesus was here on earth, He showed love every single day in ways that were not fun or easy. He washed people's feet. He spent time with people who no one else liked or cared about. He took time to feed and heal others when He was hungry and wanted to rest.

God wants you to show this kind of love to others too. **Put a check mark under the pictures that show ways that are not easy to love others.**

When you know God wants you to sit with someone at lunch that doesn't have any other friends

When your brother or sister fights with you and takes your stuff

When the other kids at school don't want to play with you because you are different

When someone wants to play on your basketball team and you know they aren't very good

God showed the greatest love to sinners like you and me when He sent Jesus, God the Son, to die on the cross for our sins. He did this even though we were His enemies.

Do you have an enemy, someone who is hard for you to love? If so, God wants you to show His love to them. **How can you do that this week? Write your answer below.**

Pray. Ask God to help you show His love, even when it is not easy.
