LESSON #2

What Is a Changed Heart?

What does the Bible usually mean when it talks about your heart?

- The real you
(The part of you that thinks thoughts, feels feelings, and will live forever)
- The organ that pumps blood through your body

Yesterday, we learned that we are born with hearts that are full of sin. Sin is anything we think, say, or do that does not please God.

What is Sin?

ANYTHING WE **T H I N K**
S A Y, OR **D O** THAT
DOES NOT PLEASE GOD.

But there is good news! When you trust in Jesus as your Savior, He takes away your sin and gives you a new heart that loves God and wants to obey Him.

"I will give you a new heart..." Ezekiel 36:26

When does God give you a new heart?

- When you try harder to do the right thing
- When you go to a heart doctor
- When you believe on Jesus as your Savior from sin

Here are some signs that God has given you a new heart:

1. You want to obey God.
2. You want to spend time with God reading His Word, the Bible, and praying.
3. You want to show His love to others.
4. You want to be with others who know and love God too.

Put a check mark below each sign that is true for you.

I want to obey God.

I want to pray and read the Bible.

I want to show God's love.

I want to be with others who love God.

**If you know Jesus as your Savior from sin,
you will never be perfect here on Earth. But God is changing you
to be more like Jesus! He has given you a new heart!**
